# **PLAYER SUMMARY**

## **Summary/Action**

Talented athletic CF with chance to play beyond college. A lot of work needs to be done to get to potential but this is a young player. Defensively is a CF with tools to stay there. Arm strength is there but needs to set feet consistently to maintain consistent accuracy. Quick accurate reads with plus speed allow him to cover field from LC gap to RC gap. Bat is plus as well when he stays within skill set. Gap to gap line drive stroke is what will help him reach potential. Launch angle and concern for exit velocity will derail his development. Needs to incorporate more bunt for hit and base stealing into daily game. Confident/aggressive/leader are words that fit this young player. This is who he is and this needs to be encourage within limits. This is a baseball player and needs to be allow to play the game. High exciting ceiling here.
