## ATHLETIC SKILLS

**Feet**

4 - Slightly Above Average

**Comments**

Moves feet well, walks into position and showed some first step quickness.

**Hands**

4 - Slightly Above Average

**Comments**

Solid to above in CF

## Reactions

5 - Above Average

## Comments

Plus first step. Came in and went back well on fly ball. Also moved well to both sides. Aggressive getting after and wants the ball.

## Body Control

4 - Slightly Above Average

## Comments

Good balance when running and getting after line drive in the gap.

## Strength

3 - Average

## Comments

Needs to develop all over body strength, especially in hands and arms.

## Physical Development

3 - Average

## Comments

Will grow some and fill out. Work on athletic tools and skills and later get in the weight room. But focus more on athleticism more than weights.

# BASEBALL SKILLS

## Fielding

5 - Above Average

## Comments

Plus range and wants ball, and should take everything. Plus arm in CF with average arm and accuracy.

## Range

5 - Above Average

## Comments

Covers ground to both sides and in and out. Showed good instinct and first step

## Running

5 - Above Average

## Comments

Good form and aggressive. Went hard and aggressive taking extra base and stealing

## **Arm Strength**

4 - Slightly Above Average

### **Comments**

Average to above and accurate. Good loose arm action that will develop with long toss and maturity.

## **Arm Accuracy**

5 - Above Average

### **Comments**

Hit cut off and all targets

## **Hitting Ability**

4 - Slightly Above Average

### **Comments**

Contact aggressive hitter. Puts ball in play and makes things happen. Should stay in middle of field and also play some small ball.

## **Power Potential**

3 - Average

### **Comments**

More of a gap type power potential, with some pull type power.

# **PLAYER SUMMARY**

## **Summary/Action**

Plays with energy and fun to watch. Do not lose that! Aggressive player, both offense and defense. Keep working on your bat and add some small ball. Play long toss to help develop arm strength and also work on getting stronger in your hands and forearms.
