PLAYER EVALUATION

Player's Name

Sebastian Morinaga

Position

Shortstop

Player's Number

30

Height

5'7"

Weight

130

Bats

Right

Team

CA - Dukes Baseball 14 National 2022

Throws

Right

Grad Year

2026

Evaluation Date

Friday, March 18, 2022

ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Solid footwork on defense; get himself in position to receive ground balls; plays under control; shows you above avg speed running; agile & light on his feet

Hands

5 - Above Average

Comments

Displays soft sure handedness on defense; absorbs baseball smooth movements; hands work well with glove; needs to get stronger hands with the bat on offense

Reactions

4 - Slightly Above Average

Comments

Shows slightly above avg reactions on defense; quick 1st step reactions on balls off the bat; anticipates hops well; shows slightly above avg reaction time on the basepads off pitchers moves and balls hit

Body Control

4 - Slightly Above Average

Comments

Shows above avg body control on defense needs to get better and stronger on offense in the batter's box; needs better balance

Strength

3 - Average

Comments

Avg strength for his size; will need to get stronger on offense; can be overpowered right now at the plate; strength plays well on defense

Physical Development

3 - Average

Comments

Shallow chest, sloped shoulders, avg. size and mass for frame right now; lean build; wiry frame; room to add size & strength

BASEBALL SKILLS

Fielding

5 - Above Average

Comments

Above avg fielder; can make the plays from all over the infield; moves in all directions well; makes his hops look routine by using his footwork to get him in position to field the baseball; never looks uncomfortable on defense; wants the ball hit to him

Range

5 - Above Average

Comments

Shows above avg range lateral as well as coming in and going back on balls off the bat; moves well anticipates well

Running

4 - Slightly Above Average

Comments

Shows you some quick feet when running the bases; more quickness over speed; ran a 4.51 on groundball; can steal a base; very coordinated feet and arms work in unity

Arm Strength

5 - Above Average

Comments

Above avg arm with the ability to make throws with line drive carry from anywhere on the infield; sets up well with feet to assist arm strength throughout throws

Arm Accuracy

5 - Above Average

Comments

Sebastian shows you above avg accuracy; throws were automatic; looks at target and throws to target he focuses on; it comes easy for him

Hitting Ability

2 - Slightly Below Average

Comments

Right now his bat is below avg.; needs to do a better job at attacking strikes; needs to get stronger to create more bat speed; needs better bat to ball skills

Power Potential

2 - Slightly Below Average

Comments

Below avg power right now; mainly due to inconsistent solid contact @ the plate; feel will have at least avg power when he grows into his body with mass & strength along with more consistent solid contact

PLAYER SUMMARY

Summary/Action

Sebastian has fabulous defensive skills which will get him on the field at the high school level; he will be solid up the middle able to win all types of defensive honors; his bat will be the determining factor on how far he goes after high school; will be a factor on all teams he plays on especially on defense; when defensive effort can translate to his offensive effort he will be a complete player. We feel he has the aptitude to become a force of offensive that will allow him to continue his baseball career after high school.
