ATHLETIC SKILLS

Feet

4 - Slightly Above Average

Comments

has quickness and moves his feet well to the ball, feet are always moving in position and active.

Hands

3 - Average

Comments

steady and easy. hands are in position ready. played consistent and made all plays and fairly easy.

Reactions

4 - Slightly Above Average

Comments

solid first step. ready to move when ball is hit. on his toes and moved well both to the 6 hole and up middle. got rid of ball quickly when needed.

Body Control

4 - Slightly Above Average

Comments

came in well and threw ball off balance, also took charge with popup in short left and took charge with confidence.

Strength

4 - Slightly Above Average

Comments

tightly wound with lean strength, body type that will fill out with maturity. no need to get in weight room yet.

Physical Development

4 - Slightly Above Average

Comments

will develop into a strong young man with natural development and at some point in the weight room. player will be strong enough.

BASEBALL SKILLS

Fielding

4 - Slightly Above Average

Comments

aggressive defender. wants the ball and gets after it. has athletic ability to play all over the field, but should stay in the middle of the infield.

Range

4 - Slightly Above Average

Comments

range will be enough to play past high school. reads ball well and has some first step quickness.

Running

4 - Slightly Above Average

Comments

above avg. high school speed. always ran hard and always looked to take extra base. very aggressive going fist to 3b and around all bases.

Arm Strength

4 - Slightly Above Average

Comments

showed above arm strength that will improve. arm will get better with more throwing and natural body maturity. do not forget to keep throwing and playing long toss!!

Arm Accuracy

4 - Slightly Above Average

Comments

all throws were accurate and made some accurate throws off balance.

Hitting Ability

4 - Slightly Above Average

Comments

aggressive contact hitter with up middle approach. stayed on ball well and did not chase. has good actions in hands and got bat started on time. did not chase or over swing. current swing works. would not change, but keep hitting and swinging

Power Potential

3 - Average

Comments

has strength in hands and arms. showed some pull type power that will also get better as his body grows and develops. always work on hand and forearm strength

PLAYER SUMMARY

Summary/Action

player will develop to play at college level. like the way he plays with energy and hustle. instinctive player with feel for game. Keep working on skills and work on getting stronger forearms and hands. Play long toss to develop arm str. and run short bursts to develop speed and quickness.
