# DON REYNOLDS

## PROFESSIONAL BASEBALL GROUP

### PLAYER EVALUATION

**Player's Name**

Jackson Roper

**Position**

3B

**Player's Number**

1

**Height**

6'2"

**Weight**

210

**Bats**

Right

**Team**

CO Slammers Twins

**Throws**

Right

**Grad Year**

2027

**Evaluation Date**

Saturday, March 19, 2022

## ATHLETIC SKILLS

**Feet**

5 - Above Average

**Comments**

Feet work across the board, defensively, at the plate, on the bases and to throw.

**Hands**

4 - Slightly Above Average

**Comments**

He is sure handed but I would not say that he is soft handed. His hands work a little stiff at times but he was always clean with the ball.

**Reactions**

5 - Above Average

### **Comments**

Does everything with speed, ease and efficiency. Super quick for his size.

### **Body Control**

5 - Above Average

### **Comments**

Advanced fundamentally. It shows in his swing, defense and throwing.

### **Strength**

5 - Above Average

### **Comments**

Not much more I can say here, it's obvious. One area for him to be mindful of is his body mass in the future and to stay as lean as possible as long as possible.

### **Physical Development**

5 - Above Average

### **Comments**

Advanced, mature.

## **BASEBALL SKILLS**

### **Fielding**

4 - Slightly Above Average

### **Comments**

His hands are plenty good enough. Needs to work at glove mechanics/soft hand drills with a flat glove.

### **Range**

5 - Above Average

### **Comments**

Showed agility and anticipation off the bat. Also showed good anticipation defensively in the OF.

### **Running**

5 - Above Average

### **Comments**

Explosive, gets to top speed early. Good strides, picks them up and puts them down. Reminds me of a TE in football. Big, strong, fast, athletic.

### **Arm Strength**

5 - Above Average

### **Comments**

Good carry, works easy, clean arm action.

### **Arm Accuracy**

5 - Above Average

### **Comments**

Reliable, consistent. Everything firm and online.

### **Hitting Ability**

5 - Above Average

### **Comments**

Bull strong with a quick bat. Primarily pull. Balanced stance with slight crouch and active hands. Looks ready to strike.

### **Power Potential**

5 - Above Average

### **Comments**

Big exit speed. Hard ground balls. Loft in swing for power. With his athleticism and quickness, this should continue to improve with consistency and training.

## **PLAYER SUMMARY**

### **Summary/Action**

This guy is a beast! To have this much natural size and strength and move as well as he does at his age is unique. His most impressive talent is his quickness. He has a quick bat, quick feet and his arm works quick. Strong tools
