Comments

Curve was flat and did not stay on top and finish off. Also slowed arm action and delivery with change

PLAYER SUMMARY

Summary/Action

Good chance to develop athletically and on the mound. Fastball has very good chance to improve. Showed good feel for k zone and changing speeds. Needs to work on staying on top of curve and also selling change better. Strength and size will come. Be patient getting in weight room and do more things to improve arm strength, like long toss.
