PLAYER SUMMARY

Summary/Action

Moving him from 4.8 overall grade to a 5.0 because of his athleticism and his impact tools (Hit/Power/Speed).

Aggressive, instinctive, athletic player. QB type with baseball savvy. The leadership shows behind the plate, has good presence. His best natural position defensively looks to be in the OF. However, with his tools and skills, catching gives him a higher long term ceiling. Either way, he is a hard nosed player that showed consistent performance and impact in games.
