**Evaluation Date**

Friday, March 18, 2022

## ATHLETIC SKILLS

**Feet**

5 - Above Average

**Comments**

Quickness in movements. Doesn't shuffle or drag. Moves his feet with alert reactions.

**Hands**

5 - Above Average

**Comments**

Strength and quickness in bat. Soft hands, hand/eye coordination in catching ball. Sure handed.

**Reactions**

5 - Above Average

**Comments**

Alert and athletic.

### **Body Control**

5 - Above Average

### **Comments**

Breaks down in transition properly from fielding to throwing.

### **Strength**

5 - Above Average

### **Comments**

Well above average for age. Not anywhere near fully mature. Frame and body type to project future.

### **Physical Development**

5 - Above Average

### **Comments**

Well proportioned athletic body. Strong frame to project future.

## **BASEBALL SKILLS**

### **Fielding**

5 - Above Average

### **Comments**

Plus alert reactions in field. Takes good routes to intersect balls hit to outfield.

### **Range**

4 - Slightly Above Average

### **Comments**

Positioning and plus reactions along with defensive ability/baseball awareness will assist development.

### **Running**

4 - Slightly Above Average

### **Comments**

Balanced athletic strides. Strong runner. Good angles taken running bases.

### **Arm Strength**

4 - Slightly Above Average

### **Comments**

Plus for age with proper arm action to make strong, accurate throws in future.

### **Arm Accuracy**

5 - Above Average

### **Comments**

On target. Consistently threw to right base and hit cutoff man.

### **Hitting Ability**

5 - Above Average

### **Comments**

Best tool to project. Consistent hard contact made with strength and quickness in swing. Stayed inside ball for most part, driving pitches to opposite field. Also turned on some balls on inner half. Liked his approach. Must continue to take bottom hand to ball. Don't get too long with barrel to ball.

### **Power Potential**

4 - Slightly Above Average

### **Comments**

Will hit for some power down the road if he continues to use hands to start the bat.

## **PLAYER SUMMARY**

### **Summary/Action**

Above average baseball player with good hitting approach and ability to put barrel on the ball with authority. Liked the way he swung the bat. Athletic, alert outfielder. Made all the plays. Projectable arm making strong accurate throws. Medium height. Rounded shoulders, strong back and frame to project quality player beyond high school. No apparent mechanical faults in game. Aggressive baserunner, gets good jumps and takes proper turns running bases. Continued baseball development and physical maturity will allow him to contribute to any college program and continued progress swinging the bat will have chance pro prospect future.
