PLAYER SUMMARY

Summary/Action

I like this player. He is athletic, has a versatile skill and tool set and looks to continue to improve. Plays 3B but shows all the ability for versatility around the infield. Enough range and arm to fill at SS and enough feet to make a turn at 2B. Enough speed for a look in CF also. Surprising pop for a player of his size. Medium size frame with large size barrel speed. Good one to follow.
