# **BASEBALL SKILLS**

## **Fielding**

4 - Slightly Above Average

## **Comments**

Rangy outfielder, solid glove. Covers CF from gap to gap and shows situational awareness.

## **Range**

5 - Above Average

## **Comments**

Can get up and go get the ball in gaps.

## **Running**

4 - Slightly Above Average

## **Comments**

Needs work on first step quickness, base running, can cover lots of ground in outfield.

## **Arm Strength**

4 - Slightly Above Average

## **Comments**

Above average for age group.

## **Arm Accuracy**

4 - Slightly Above Average

### **Comments**

Uses arm well, gets in good position to work through ball.

### **Hitting Ability**

3 - Average

### **Comments**

Needs work on overall approach and staying consistent. On top plate, heavy pullside swing doesn't mesh well with bat path and body type.

### **Power Potential**

4 - Slightly Above Average

### **Comments**

Adjustments on approach side of his offense could help harness the raw power he shows and with his quick bat. Above average potential for next level power.

## **PLAYER SUMMARY**

Larger framed outfielder. Good use of speed and situational awareness make him above average outfielder with ability to range from gap to gap, make body control adjustments and use arm to take away hits and extra bases. Needs work on first step quickness and getting down the line. Shows raw pullside power, adjustments in his hitting approach will make that power more useable in game situations and could transform him into an exciting lead off hitter.
