ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Light on his feet and moves well. Coordinated

Hands

5 - Above Average

Comments

Plus feel for use of hands. Easy and sure.

Reactions

4 - Slightly Above Average

Comments

Reads ball off bat quickly and accurately.

Body Control

4 - Slightly Above Average

Comments

Athletic and well under controlled movements

Strength

4 - Slightly Above Average

Comments

Has room to add strength and muscle mass. Developing young body.

Physical Development

4 - Slightly Above Average

Comments

Young body with solid frame. Developing well and will continue as he matures. Room to grow here yet.

BASEBALL SKILLS

Arm Action

4 - Slightly Above Average

Comments

Gets to high at times losing ease of arm. Correctable and will come with more time on mound.

Throwing Effort

4 - Slightly Above Average

Comments

Arm works just gets in poor position at time causing him to labor to throw. Not a real concern at this time but does need to be addressed.

Arm Strength

5 - Above Average

Comments

Strong arm here when mechanics line up. Durable arm that needs to be monitored.

Delivery

4 - Slightly Above Average

Comments

Some inconsistency here at times but will clean up with mound opportunities.

Control

4 - Slightly Above Average

Comments

Strike thrower that showed feel for zone.

Fastball

4 - Slightly Above Average

Comments

Arm works and ball comes out well. Not a concern as to velocity now as long as arm continues to develop.

Off Speed

5 - Above Average

Comments

Great shape and tilt on breaking ball. Well advanced pitch. Has nice feel and touch to throw in any count. Plus pitch that he does not try to over throw.

PLAYER SUMMARY

Future LH HS pitcher with solid chance to pitch at higher level. Very athletic LHP with ability to play other positions. Looks like best future is on mound. Would not make him an exclusive pitcher at this point however. Showed ability to mix pitches and locate fast ball. Breaking ball is the separator. Very good action and location of that pitch. Protect this arm because it looks like it could be special.
