## PLAYER SUMMARY

Solid middle of the order SS with impact tools on both sides of the ball. Poor fielding ready position at present does not allow him to be the defender he is capable of being at this time. This needs to be addressed now. Otherwise defensively he is sound. Bat has hit as well as power potential. Needs to stay with gap to gap line drive approach. Strong leadership skills but needs kick in the pants at times. Tools are the for him to play at much higher levels.
