Hitting Ability

5 - Above Average

Comments

Upright and wide stance; flat bat in at shoulders; gets in shoulders with swing and pulls off with his eyes; too power concious, needs to be just a better hitter. He has natural power; lets the ball get close to him with occasional flick ability; above average contact ability, bat speed, and bat plane; average rhythm; inconsistent bat head frequency; now natural with room to improve; aggressive and confident at bat

Power Potential

5 - Above Average

Comments

Above average leverage and extension; average strike zone knowledge; big strength projection

PLAYER SUMMARY

Summary/Action

Very projectable athletic package; bat and power are carrying tools; strong stroke with above average bat plane and contact ability; short stride, leverage, and extension for future above average power; above average raw runner; needs work on: running style, defensive jumps & reads, and throwing mechanics to reach projection; with work and development we see as JC/Small College CF; Intelligent Kid; with work could easily overshoot this evaluation and be even better
