ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Coordinated actions and controls feet well.

Hands

5 - Above Average

Comments

Soft sure handed player that trusts hands .

Reactions

5 - Above Average

Comments

Feel for game and showed ability to read game and action on field.

Body Control

5 - Above Average

Comments

Athletic and able to move body consistent to need.

Strength

2 - Slightly Below Average

Comments

Lean this body and frame. Developing young man that will gain normal strength as he matures.

Physical Development

2 - Slightly Below Average

Comments

Underdeveloped at this time. Young man that is maturing . Not concerned at this time regarding development.

BASEBALL SKILLS

Arm Action

4 - Slightly Above Average

Comments

Some extra length in arm action but effective and consistent. Arm looked to be clean and easy.

Throwing Effort

4 - Slightly Above Average

Comments

Easy and some effort in throwing on occasion.

Arm Strength

4 - Slightly Above Average

Comments

Solid enough at in time. Not a concern at this point.

Delivery

5 - Above Average

Comments

Looked clean and consistent. Was able to repeat delivery and thus pitches.

Control

4 - Slightly Above Average

Comments

Around the plate with pitches. Used both sides of the plate well.

Fastball

3 - Average

Comments

Easy arm action will allow fast ball to play u. Natural lefty movement will serve him well as he progresses. Velocity will tick up as his body matures.

Off Speed

5 - Above Average

Comments

Nice shape and movement on off speed pitch. Does not try to over throw and trusts in ability to land pitch.

PLAYER SUMMARY

Solid Left handed HS pitcher with future to play at next level. Solid mechanics with feel to pitch here. Mixed pitches and was able to throw strikes consistently. Easy arm action now will allow him to recover rapidly. However over pitching him will be an issue. Chance to pitch at higher level if continues on this path and takes care of his arm.
