PLAYER SUMMARY

Summary/Action

Above average athlete with chance to play beyond college. Plus defender in CF with feel for game. Reads ball off bat quickly and well. Takes charge and is consistently in position. Plays game with ease and passion. Offensively will be top of the order guy with line drive gap power. Will hit with surprising power and will get more as he naturally develops. Lean body now but will develop more muscle in future. Table setter type player that needs to incorporate drag bunting into offensive approach. Impact player that has plus upside as long as he stays within himself and allows for natural development.
