## **PLAYER SUMMARY**

### **Summary/Action**

Slick fielding first baseman, who shows high level play at his corner spot. Ready for next competitive level right now defensively. Plays far beyond age and competition, soft hands and quick feet, along with his solid frame make him a projectable first baseman at college level and beyond. Secondary tool, his bat, show promise and projection to hit with power and average in the future. Uses whole field approach, is selfless and plays situational game at the plate very well showing excellent bat to ball skill and ability to drive in runs. While his defense plays beyond his age, his bat will need to continue to mature and develop to carry him and make him projectable beyond college.
