PLAYER SUMMARY

Summary/Action

Athletic catcher with chance to play beyond college. Solid defender as catcher but also can play outfield. Presents firm solid target to pitcher and clear presentation to umpire. Strong arm with ability to get ball out of glove quickly. Plays premium position as a catcher and he needs to stay there. Bat will be special as he develops. Needs to learn to use field more but that should come with reps. If he stays with a line drive approach he will maximize his hitting ability. Solid talented young player with plusupside.
