Comments

Will not be part of his game and not needed.

PLAYER SUMMARY

Summary/Action

Future college SS with chance to play on. Solid defender in middle of diamond. Moves and anticipates well in the field. First step quickness allows for him to have abv avg range. Arm is enough to stay a SS for now but throwing program would enhance arm strength and accuracy. Top of the order bat that needs to utilize speed by incorporating drag bunt. Solid young player with exciting up side.
