Arm plays all 3 positions every day

### **Hitting Ability**

5 - Above Average

### **Comments**

Hard contact balanced compact approach

### **Power Potential**

5 - Above Average

### **Comments**

Hits hard, down and through the ball

## **PLAYER SUMMARY**

### **Summary/Action**

Kid has the look. Carries himself like a player. Alert and articulate. Wants to play baseball. Humble too. Other cf let a ball drop in front of him. When asked if he would have caught it he defended his teammate saying he doesn't play there as much, "but yes, I would have caught it". Kid will grow but at this level he is well above avg.
