Physical young body here that has solid strong muscular development

## Physical Development

5 - Above Average

## Comments

Physically well ahead of peers. Athletic and powerfully built young man.

# BASEBALL SKILLS

## Fielding

4 - Slightly Above Average

## Comments

Moves well behind the plate. Needs more time there to master position.

## Range

4 - Slightly Above Average

## Comments

Reacts well to ball and moves body accordingly. Good footwork and body control allow for plus range.

## Running

4 - Slightly Above Average

## Comments

Strong runner with easy gait. Short strider that is deceptively fast.

## Arm Strength

4 - Slightly Above Average

## Comments

Strong firm throws shown consistently when he gets feet under him. Will improve as he gains more time at position.

## Arm Accuracy

4 - Slightly Above Average

### **Comments**

Some tailing action to throws at time. Rushing foot work at time does not allow him to get off consistent throws.

### **Hitting Ability**

4 - Slightly Above Average

### **Comments**

Short powerful quick stroke that can cause damage. Feel to hit and aggressive to balls in zone. Has a hitters mentality.

### **Power Potential**

5 - Above Average

### **Comments**

Powerful bat pop. Will drive ball to gap and beyond. Stroke is solid now and more power will come naturally.

## **PLAYER SUMMARY**

Future LH HS catcher with solid future to play at higher level. Athletic and strong young man that can play most anywhere on the field. However future is behind the plate. Has the skills to handle position and toughness needed. Will be a solid defensive catcher with a strong lefthanded bat. Valuable assets to have in order to move to next levels. Solid player here with bright future.
