ATHLETIC SKILLS

Feet

4 - Slightly Above Average

Comments

Quick effortless movements in outfield and on base paths.

Hands

4 - Slightly Above Average

Comments

Smooth quick hands, confident and quick on transfer.

Reactions

5 - Above Average

Comments

Quick first step reactions, light on his feet, moves well in outfield, covering gaps and getting good jumps on balls.

Body Control

4 - Slightly Above Average

Comments

Shows ability to get to balls, charge and range to the gaps and make solid accurate throws to/through cut off man.

Strength

4 - Slightly Above Average

Comments

Above average for age. Needs to fill out his athletic frame.

Physical Development

4 - Slightly Above Average

Comments

Solid build, still growing, thick legs, strong body.

BASEBALL SKILLS

Fielding

4 - Slightly Above Average

Comments

Solid mechanics in outfield. Classic centerfield actions. Aware and always moving without the ball, shows baseball IQ and understanding of limiting bases and throwing ahead of runners.

Range

5 - Above Average

Comments

Made plays from right field to left, speed to chase down balls to deepest parts of the park. Good routes, stays behind the ball, ready to throw.

Running

5 - Above Average

Comments

Long strides, full speed on first step. Aware and uses speed as a weapon on base paths.

Arm Strength

3 - Average

Comments

Average arm for age. Needs work and attention to throwing mechanics and long toss/arm strengthening program. NOT velocity improvement, but proper mechanics and ability to throw long, 120-180' with accuracy. Has tendency to push the ball, with a short arm action, not ideal for on outfielder. With improvement in this respect, overall arm strength has potential to grade out higher in future.

5 - Above Average

Comments

Throws on the money, hits cutoffs, and places ball on a dime in high pressure situations, to all bases.

Hitting Ability

4 - Slightly Above Average

Comments

Good opposite field approach, hits to situation. Puts ball in play with short line drive swing.

Power Potential

4 - Slightly Above Average

Comments

Potential for power as he grows into his body, leader off type hitter, occasional gap to gap power.

PLAYER SUMMARY

Summary/Action

Quiet and unassuming player, not overly flashy, but stands out with defensive ability. Solid body type, good height for age group, has potential to grow into above average sized outfielder, with speed and power. Potential for playing at next level is high, with proper development and adjustments to throwing mechanics to increase arm strength. deadly accurate, he makes up for lack of arm strength and pushing the baseball with his ability to stay behind the ball, work through and get most out of his body to make the plays, at this level. Long toss program, along with mechanical assessments and adjustments with properly trained professional is recommended at his age and will be vital to his future development and will only enhance his potential as a player.
