PLAYER SUMMARY

Summary/Action

Solid player with chance to play beyond high school at the least. Solid defender with feel for game and tools to play. 3B best position and needs to stay there. Arm and glove will continue to improve as he develops. Bat is special. Makes consistent hard contact with line drive mentality. Plus feel to hit with an aggressive demeanor will serve him as he progresses. Easy stroke with loose hands a plus for hitters. Power will develop naturally and he needs to trust the development process. Plus player with plus future upside.
