Strong physical player here that will increase power as he develops proper swing mechanics.

## **PLAYER SUMMARY**

### **Summary/Action**

Strong physical athlete here with chance to play beyond high school. Defensively solid but does seem to lose focus in RF. Different in CF where he should play. Arm needs to get on a throwing program to get stronger and lengthen out. Bat is the concern here. Has a hitters mentality and that maybe the reason he pulls off the ball. That would be him overswinging. Needs to get a better fundamental approach to hitting. Plus athlete here that has upside. Needs solid baseball instruction.
