PLAYER SUMMARY

Summary/Action

Athletic player with chance to play beyond high school. Power guy here with bat the prime tool. Defensively shows amazing flexibility at first base. Hands and feet work well to position himself to defend. Again bat is tool. Aggressive approach with ability to hit ball where pitched. Has a bit of an inside out stroke at times but will learn to get head of bat on ball inside more consistently with maturity. Concerned about body. Young player that is carrying too much weight. Needs to address this immediately. This issue will cost him in future if not corrected. Plus athlete here that will become a more impactful performer in firmer body. Plus upside here and solid future.
