PLAYER SUMMARY

Summary/Action

Aggressive and polished defensive outfielder with above average arm and explosive speed on defensive and on base paths. Shows range and body control patrolling center field, uses strong arm to bolster his solid defensive skills. Break away speed and quickness on base paths while hustling and being aggressive. Short stroke, good bat to ball skills, as well as being patient and selective make him an ideal player for top of any line up with potential to be an impact player as he gets older and looks to play at the next level.
