4 - Slightly Above Average

Comments

Swing the bat. Goes to plate with offensive mind set. Line drive gap to gap hitter that showed the ability to use the whole field.

Power Potential

4 - Slightly Above Average

Comments

Thunder in this bat. Will get to plus power as long as he stays with current hard contact line drive approach.

PLAYER SUMMARY

Future frontline catcher with offensive power potential. Solid catch and throw skills. Receives and presents ball well. Left handed bat that will fit well middle of the lineup. Power to impact game instantly which will become more evident as he matures. Showed above average run tool. Concerns regarding body and staying fit to catch. Needs not worry about lifting ball or exit velocity in that both will come naturally as he develops. Solid future here for this young man.
