PLAYER SUMMARY

Summary/Action

Chance to play beyond high school and possibly further. Needs to get as many reps as possible. Has enough arm to pitch but that is secondary to his ability to play the field. Arm has strength but shows more in field. Fields well at this time but needs to focus on first step and better fielding position. Runs well for a big man but this skill is not a major factor. Needs to stay on this game and continue to work on flexibility. Bat is the tool. Ability now to us field and make adjustments at plate. Needs to continue to learn how to make hard contact to all fields. Will be a run producing middle of the lineup dynamic bat. Has a future in this game.
