ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Active and athletic

Hands

5 - Above Average

Comments

Soft, sure handed.

Reactions

5 - Above Average

Comments

Moved to ball well with smooth athletic actions.

Body Control

5 - Above Average

Comments

Transitioned well when fielding and throwing.

Strength

4 - Slightly Above Average

Comments

Projectable strength in body. Frame and muscle tone for strength gains.

Physical Development

3 - Average

Comments

Average for age with athletic body.

BASEBALL SKILLS

Fielding

4 - Slightly Above Average

Comments

Reacted well and made all plays.

Range

5 - Above Average

Comments

Good lateral movement with first step quickness.

Running

5 - Above Average

Comments

Closing speed in outfield. Runs well once underway out of box.

Arm Strength

3 - Average

Comments

Hits the cutoff. Must keep asking himself to throw long distance to improve carry on ball. Elbow up, hand behind ball, fingers over ball.

Arm Accuracy

4 - Slightly Above Average

Comments

Hits what he's looking at.

Hitting Ability

3 - Average

Comments

Appeared to have solid balanced stance. Long to ball as most young hitters. More reps necessary to make hard contact on the ground.

Power Potential

3 - Average

Comments

Not going to be his game. May hit some down the road. Must hit ball in gaps and make hard contact on the ground to utilize speed.

PLAYER SUMMARY

Compact CF with speed and athleticism to attract attention. Defensive skills play. Barrell to ball will improve with shortening up swing to make hard contact. Time on his side to adjust swing from lengthy flyball attempts to line drives /groundball production. Projection to contribute college competition.
