4 - Slightly Above Average

Comments

Good hand/eye coordination.

Reactions

3 - Average

Comments

Average for age. Tall, lanky projectable body.

Body Control

4 - Slightly Above Average

Comments

Physically immature. Quite athletic for age and size.

Strength

4 - Slightly Above Average

Comments

Generates good arm speed for age with leverage and strength in movements.

Physical Development

4 - Slightly Above Average

Comments

Projectable body. Coat hanger upper body. Wide back, angular shoulders, long arms. Upper torso tapers to trim, high waist. Long legs.

BASEBALL SKILLS

Arm Action

5 - Above Average

Comments

Long, loose quick arm.

Throwing Effort

4 - Slightly Above Average

Comments

Semi wind up H3/4 delivery/arm slot with some effort after release on finish.

Arm Strength

5 - Above Average

Comments

Touched 83, most 78-81. Well above average for age.

Delivery

5 - Above Average

Comments

Balanced with good direction to home plate. Occasionally falls off to 1B, but for most part stays on direct path to target and stays behind pitches.

Control

5 - Above Average

Comments

Keeps it together and doesn't get out over skis. Has a clue about what he wants to do with each pitch. Has a feel for pitching.

Fastball

5 - Above Average

Comments

Generates good velocity for age and tries to throw hard. Will throw much harder in future.

Off Speed

4 - Slightly Above Average

Comments

Savvy young pitcher with feel for pitching. Changes speeds and locates.

PLAYER SUMMARY

Tall, projectable, leaned up RHP with multiple pitches in repertoire. Would benefit from keeping FB out over plate in hitters counts. Stay within himself and possibly locate more to pitchers location than hitters. Overthrew at times, but feel for pitching is evident. Liked his aggressiveness. Went after hitters. Must finish towards hitter, not 1B. Square up to hitter and finish pitches off. Will excel in high school and compete at college level future.
