PLAYER SUMMARY

Best player & athlete I saw all weekend by far. He has a plus skill set for his age with a nice feel for the game. On defense he made all the plays look easy. He picked his hops and never seem to get a bad hop. On offense he put pressure on the defense from the moment he steps in the box. Looking to do damage but he understands his strike zone. Top of the order table setter type with 2B & 3B type power. Impact player on both sides of the ball. Probably the only true pro prospect I was at this event !!
