## PLAYER SUMMARY

**Summary/Action**

This kid can pitch! In out up don with command and changing speeds. Has control well above any 14 yr old I have seen. Mound presence is impressive. Watching him pitch you would not know if he is up 3 or down three. His presence, demeanor and approach screams Hersheiser. I asked him if he had an instructor. Said no. Asked who his favorite pitcher is, He said I watch and like them all.
