Comments

High ceiling on power potential with size, bat speed and command of the strike zone.

PLAYER SUMMARY

Summary/Action

Prototypical blueprint of a offensive first baseman. Large athletic body, speed and power on the basepaths, smart and aware with high baseball IQ. Extremely competitive and a hard out. His prowess with the bat make him stand out among his age group and will at the next level where he could play up as an underclassman. Polished and smooth fielder with natural instincts around the bag as well as appearing to have been coached at high level with his footwork and glove skills. Excellent two strike hitter, puts the ball in play, always, shows power to big part of the field with short stroke and efficient north south movements. Projectable power and hitting ability at the next level and beyond.
