ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Pretty good for his size. Looks like he's played a lot of basketball by his general actions.

Hands

5 - Above Average

Comments

His hands are a natural byproduct of how well he moves for his age/size.

Reactions

5 - Above Average

Comments

Anticipates well. Good first step.

Body Control

5 - Above Average

Comments

Big frame, but doesn't show it. Moves well for his size and frame.

Strength

4 - Slightly Above Average

Comments

Plenty of projection here. XL frame with lanky strength. Wide slope to shoulders. high waist.

Physical Development

4 - Slightly Above Average

Comments

Seems to be bringing a good amount of natural athleticism to a growth spurt right now. With work and physical maturity he could have a premium pitchers frame and build. Reminds me a little of a young Nick Kingham (LV HS draft 10 years ago)

BASEBALL SKILLS

Arm Action

5 - Above Average

Comments

Works clean/proper. High slot. Compact, fluid swing with ext in front.

Throwing Effort

4 - Slightly Above Average

Comments

Does it with leverage, but it's not a fast arm right now. More fluid.

Arm Strength

5 - Above Average

Comments

Works well and has leverage and extension. Projectable.

Delivery

5 - Above Average

Comments

Sound. Short rocker step to load. Good at balance point and separation. Lands on line. Head stays toward target. Proper finish.

Control

5 - Above Average

Comments

Consistent and quality strike thrower.

Fastball

5 - Above Average

Comments

This is a projection grade. He sat in the mid-high 70's touched 80. Good downhill plane with late armside life.

Off Speed

4 - Slightly Above Average

Comments

Mostly pitched with his FB. Secondary pitches still developmental.

PLAYER SUMMARY

Classic projection RHP. Great frame with a loose arm. What gives this guy a chance to happen is his athleticism. Worth investigating if he was more of a regular sized player that developed his athleticism before his growth spurt. Good player that projects to pitch for all the right reasons. Does well in all phases of the game.
