ATHLETIC SKILLS

Feet

5 - Above Average

Comments

short and quick,gets good jumps on fly balls and balls in gap. better going laterally and back/needs work on ball coming in.

Hands

5 - Above Average

Comments

exhibits soft sure hands both in cf and on the mound

Reactions

5 - Above Average

Comments

especially effecient on comebackers bunts etc

Body Control

5 - Above Average

Comments

built low to ground helps with balance and overall bdy control

Strength

4 - Slightly Above Average

Comments

not a big kid,but makes up for with speed and quickness

Physical Development

3 - Average

Comments

not alot of projection for much more due to small stature.small boned kid

BASEBALL SKILLS

Fielding

5 - Above Average

Comments

speed allows him to get to balls most wouldnt, sure handed defender

Range

5 - Above Average

Comments

takes charge in cf quarterback in outfield runs the show can go get it on regular basis

Running

5 - Above Average

Comments

gets out of box quickly, cretes havoc on bases with base running ability and over all speed

Arm Strength

4 - Slightly Above Average

Comments

exhibits both on the mound and in the field

Arm Accuracy

4 - Slightly Above Average

Comments

what he lacks in powerful arm he makes up for by
continually hitting cut off man and throwing to right base

Hitting Ability

4 - Slightly Above Average

Comments

contact hitter sprays ball with all fields approach
adept bat handler,puts ball in play with regularity,rarely strikes out!!

Power Potential

2 - Slightly Below Average

Comments

more of a singles guy with occ gap power,suggest using wood bat to help getting feel for velocity he will face going forward.

PLAYER SUMMARY

Pesky pepperpot player,comes to play every day,team player always encouraging teammates
with unselfish approach/ situational hitter who can execute with the bat.Speed and bat control are big asset, can also bunt steal bases and read balls in dirt.Athlete who can beat you in several ways!!!
