Power Potential

4 - Slightly Above Average

Comments

Pull side carry when he gets into his pitch, may improve as he matures

PLAYER SUMMARY

Corner Infielder player in future. Bat may carry to college level. Strength overall in his tools. Will need to work on Speed and quickness as he matures. Takes a good aggressive swing at pitches. Shows power to contact to pull side. strong enough to work in opposite field. Also pitches, DNS there. Bat will have to carry him to upper levels after HS.
