### **Delivery**

4 - Slightly Above Average

### **Comments**

Cross fire delivery, creates natural movement on 4 seam to give illusion of cut fastball moving across zone, in on RH batter. Effective down in zone when he pitches downhill.

## Control

3 - Average

## Comments

Has tendency to open up front side, leave ball up and can get wild arm side as result. Does not rattle, stays composed and corrects on the fly.

## Fastball

4 - Slightly Above Average

## Comments

Life and run on the 4 seam fastball.

## Off Speed

5 - Above Average

## Comments

Spots straight change in for strikes on RH, turns it over, with breaking ball movement to outside corner, will throw it down and out of zone for strike out pitch.

## PLAYER SUMMARY

Text book LHP, in body and style. Long and lean, throws hard and very athletic. Has an excellent straight change up spotted for strikes and one he turns over with almost curveball movement and effectiveness to outside corner. Tends to throw a lot of pitches when mechanics falter, will need work on developing consistent repeatable actions in mechanics. Maintains even keel, good body language, confident and composed, never rattled, a cool customer on the mound.
