PLAYER SUMMARY

Summary/Action

Talented athletic player with chance to play beyond college. Dynamic defender with best position CF. Reads quickly and takes plus routes to batted balls. Arm and range serves him well in field. Bat will be a plus tool as he develops. Needs to stay within self with line drive gap to gap stroke. Power will be limited other than gap pop. Top of the order player with base stealing ability. Needs to add drag bunting into game plan. This is an exciting young player with a high ceiling. Leads by example and shows passion for game.
