4 - Slightly Above Average

Comments

Ball tails to target. Getting on top of ball will correct this and improve accuracy.

Hitting Ability

4 - Slightly Above Average

Comments

Pull approach effects ability to make consistent contact consistent

Power Potential

4 - Slightly Above Average

Comments

Gap power will be his future

PLAYER SUMMARY

Summary/Action

Solid young player that has ability to play beyond high school. Chance to play past college if he focus on his skill set. Athletic Center fielder that needs to focus attention there. Defense has a chance to be a dominate feature as he matures. Arm works but learning to get on top of ball and follow through is needed. Bat is a question here over swings with pull approach not best for his skill set. Needs to use the whole field with a line drive gap to gap approach. Bunting for hit needs to be practiced and used in game. Young developing talented player here with plus upside.
