## Comments

Using a four quad strike-zne. Displays ability to throw to the 4 quadrants with fastball. Imprve pitchability to spot the fastball in the four quadrants kzne.

## Fastball

5 - Above Average

## Comments

FB83\*85/86 Currently overpowering at current age group. FB lacks mvement or pitching deception.

## Off Speed

5 - Above Average

## Comments

CB73 PWR-CB hard 12/6 rot spin w/hard bite. Wipeout pitch!! very dominate at this level and will be for a couple more. Look to imprv throwing that pitch for strikes in counts.

# PLAYER SUMMARY

## Summary/Action

Pitched today on 4 days rest... Current size and maturity really makes this kid standout on the field. Future Draft MLB, JUCO, Major Div I. Displays a very powerful aggressive pitching style. PWR FB/CB. Would like to see pitch deep into game where stamina will be challenged. Current early development looks good. Your ability to build on current pitching delivery will determine futr level outcome. Continue to build your pitching IQ=Pitchabilty is key...
