## ATHLETIC SKILLS

**Feet**

5 - Above Average

**Comments**

His agility isn't flashy, just super efficient; light and quick mover. Uses the ground well in everything he does on the field.

**Hands**

5 - Above Average

**Comments**

Quick and sticky. Presents glove early/on time. Ball finds the web and it's out on time.

**Reactions**

5 - Above Average

**Comments**

Focused. Ready every pitch defensively. Ready to hit every pitch at the plate.

## Body Control

5 - Above Average

## Comments

Compact actions. Fundamentally sound field throw hit run.

## Strength

3 - Average

## Comments

Smaller player. Not little, just later to physical maturity than most. He's got strength and definition to his body. not a concern.

## Physical Development

3 - Average

## Comments

Late bloomer.

# BASEBALL SKILLS

## Fielding

5 - Above Average

## Comments

Fielded everything cleanly. Uses his feet very well.

## Range

5 - Above Average

## Comments

For a guy his size, he covered SS very well with positioning. He might be a guy who's able to read swings; he was always near the ball in the air or on the ground.

## Running

5 - Above Average

## Comments

Projection grade. Currently plays avg/ab avg but appears to be at the end of his child strength.

## Arm Strength

4 - Slightly Above Average

## Comments

Soft line carry to throws. Plays solid with the combination of his transfer/release.

## Arm Accuracy

5 - Above Average

### **Comments**

reliable. transfer/release allow his arm to play above the raw strength.

### **Hitting Ability**

5 - Above Average

### **Comments**

Balanced set up and stance. Knee lift trigger. Stays back. Quick bat, level stroke. balanced finish.

### **Power Potential**

3 - Average

### **Comments**

projects more as a table setter type offensive player; on base, bat control, spray line drive type. strength to move the barrel.

## **PLAYER SUMMARY**

Real nice young athlete and ability set. Natural athletic actions. Fundamental look to everything he does. He doesn't stand out easy because he's a bit under sized, but the tools, actions and instincts are early in place. Pocket follow for me. Good one to keep an eye on.
