ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Quick; strong; balanced; light; full package

Hands

4 - Slightly Above Average

Comments

Deliberate; not easy but catches what he gets to; stabs at times; will improve naturally with playing time.

Reactions

5 - Above Average

Comments

Explosive and very quick; can change direction in an instant; exceptional athlete

Body Control

5 - Above Average

Comments

If there was a higher grade - I would give it; naturally gifted; the last time I saw a player with this type of body control I signed him in 2007 - Starling Marte.

Strength

3 - Average

Comments

Lean wide loose build; lean bones; average now strength with room to get mature man strength; will always be lean.

Physical Development

5 - Above Average

Comments

Athlete with a live loose body; now with further room to mature and strengthen; will always be lean and explosive.

BASEBALL SKILLS

Fielding

5 - Above Average

Comments

Covers major ground like an All-Star; no fear of wall going back and can cut down ball in front of him; impressive; smooth and explosive.

Range

5 - Above Average

Comments

Huge natural range; yellowstone park can't hold him.

Running

5 - Above Average

Comments

Can really move; takes a full swing so his times down the line are slightly above average instead of eye popping: 4.52 down the 1B line; 3.60 on the Steal to 2B; now runner with an easy powerful stride; he is good now and will get better.

Arm Strength

4 - Slightly Above Average

Comments

Full arc with slightly above average carry; tendency to fly open a little and get in shoulder too much; now ability that will improve; easy with low effort.

Arm Accuracy

4 - Slightly Above Average

Comments

Even though he rolls open, he has carry and has slightly above average accuracy; natural feel

Hitting Ability

4 - Slightly Above Average

Comments

Contact ability; high hands with flat bat; open with a slight squat; little shimmy dance in body to keep him loose and relaxed; needs to dive more and use his hands and knob; gets in his shoulders and sweepy casting the bat; instincts and raw ability are there is improve; no fear; low anxiety hitter.

Power Potential

3 - Average

Comments

Gap 2B & 3B power; to much concern with trying to hit it over their head will hurt him

PLAYER SUMMARY

Lean rangy square live body impact athlete; covers major ground on defense to sides, back, and front; can throw with arm strength and accuracy; contact ability at bat with gap extra base power; a threat on the bases; winning player catalyst; can go 0 for 4 and beat you; enthusiastic and smart player; now ability with upside; sky is the limit for this player; played with Michigan Team, but is from the City of Chicago.
