PLAYER SUMMARY

Summary/Action

Strong solid player with chance to play beyond high school. Solid defender at 3B but Catching may be best fit. Powerful body with strong arm. Moves and anticipates well in field. Needs to get in a better and more consistent ready position to maximize his defensive skills. Very focused player that plays the game with passion and winning mentality. Bat will be a strong tool with the ability to hit for average and power. Strong leadership skills which will bode well on any team. Plus upside here for this young man.
