Hitting Ability

3 - Average

Comments

Very projectable hitter with balance in the box. Bat head goes to ball in straight away stance. Strength will come. Line drive/groundball producer.

Power Potential

3 - Average

Comments

Average for age, but don't think he will become big power hitter, but can't discount due to such a young age. Will hit some down the road. Has a nice swing and usually makes consistent contact.

PLAYER SUMMARY

Very projectable young baseball player. Actions and defensive skills to play mid infield positions. Left hand hitting mid infielder who can handle the bat. Will be asset to any college program and be a star in any high school program. I like his chances. Plays the game the right way. A Baseball Player.
