# BASEBALL SKILLS

## Arm Action

5 - Above Average

## Comments

Good solid arm action strong enough to endure innings late in game. Will get more strength in future, as he has the body to fill out.

## Throwing Effort

5 - Above Average

## Comments

Easy arm moves quickly thru release point with minimum effort.

## Arm Strength

5 - Above Average

## Comments

Very good arm strength and very projectable. With mechanics adjustments show get more velo in near future.

## Delivery

5 - Above Average

## Comments

Balance delivery good soft stride ,and great plate direction .Head stays online often towards plate.....

### **Control**

4 - Slightly Above Average

### **Comments**

Fairly good control ,pitches are often in zone with occasional good sinking life. Can pitch to both sides of the plate with good placement in and outta zone....

### **Fastball**

4 - Slightly Above Average

### **Comments**

Fastball is good to plus at times with very good arm side sink.

### **Off Speed**

4 - Slightly Above Average

### **Comments**

Curveball is his pitch and flashed some quality at times with tight rotation and late downer break. CB has chance to be a good out pitch in future.

## **PLAYER SUMMARY**

Like his projectable body and stuff . I believe he will play at the next level as he gains strength and development.in his body. Body has strength and projection to be possible starter, as he can repeat his delivery and get outs with his occasional plus stuff.
