PLAYER SUMMARY

Summary/Action

Tall athletic player with chance to play beyond high school. Has defensive ability that is untapped at this time. Primarily do to poor setup and lack of proper ready position. Needs to get into athletic position and anticipate ball consistently. Will be a power guy in any lineup. Aggressive approach and has the ability to swing. Has a hitters mentality. Will need to learn to use the entire field as he progresses. He has a chance to be a special offensive player. Strong solid upside here.
