PLAYER SUMMARY

Summary/Action

Solid top of the order bat with chance to play beyond high school. Defensively has most of the skills to play SS but arm a concern. A strong throwing program will be extremely helpful here. First step explosive quickness allows him to cover a lot of ground in the field. This also helps him be a serious base stealing threat. Short line drive stroke will carry him and be his offensive signature. Needs to incorporate bunting for hit in to daily game plan. Aggressive player with well above feel for game.
