PLAYER SUMMARY

Summary/Action

Exciting young player with ability to play beyond high school. Above average athlete that has ability to play multiple positions. Plus defender with instincts and feel for game. Setup, arm strength, proper ready position ability will allow him to stay at 3B. Bat not there at this time. More than adequate at this point but much more in there. Pulls head off ball and thus bat follows. Uses too much upper body in swing at this time but very fixable. Aggressive at plate and does let it fly. Baseball player here that has plus upside.
