CH/Slurve combo. Better feel for change. Fade/sink arm-side. Slurve effective for strikes, fair shape/bite. FB makes it a little better pitch than on its face.

PLAYER SUMMARY

Fringe 5 guy. Excellent intangibles and maturity. Father is a SWAT commander and ex military so he's "squared away" with a good head on his shoulders. Pretty good natural athlete, but short on size and power at this junction of his development to make the the next group obvious. Easy to see how well he understand the game. He's a leader on his club and by example.
