PLAYER SUMMARY

Summary/Action

Above average athlete with solid chance to play beyond high school. Needs to focus on CF in that this seems to be his best fit for the future. Has the ability to pitch as well. Crossfire throwing mechanics needs to be addressed to allow arm to work more efficiently. Bat works but needs to be cleaned up some. Tries to do to much with swing at times. Needs to get launch angle and exit velocity thoughts out of his head. Line drive gap to gap approach will help him develop the power he has coming as he matures. Solid young player that competes and has feel to play game. Needs to trust himself and have patience in development.
