ATHLETIC SKILLS

Feet

5 - Above Average

Comments

Quick and light on feet. Has easy movement actions.

Hands

4 - Slightly Above Average

Comments

Soft but a bit inconsistent. Ground ball reps will help him develop a more confident set of hands.

Reactions

5 - Above Average

Comments

Quick reads and breaks to batted balls in field. Athletic and explosive 1st step.

Body Control

5 - Above Average

Comments

Athlete and has abv avg ability to control body movements.

Strength

2 - Slightly Below Average

Comments

Lean wiry frame that looks to be very wiry. Most likely will be a late strength developer.

Physical Development

3 - Average

Comments

Lean body mass with room to add muscle. Will be a late physical developer and needs not rush. Will come naturally with time.

BASEBALL SKILLS

Fielding

4 - Slightly Above Average

Comments

Gets body in position well. However aggressive attacking move to ball causes hands to stiffen. Fixable with reps and maturity in understanding the game.

Range

5 - Above Average

Comments

Explosive first step and plus speed allow him to cover field. Reads will continue to improve and will allow him to be a well abv avg defender in CF.

Running

5 - Above Average

Comments

Flyer with easy running gait. Base stealer and run scorer at the top on line up.

Arm Strength

4 - Slightly Above Average

Comments

Learning to use lower half in throwing motion yet. Has the makings of solid mechanics but a throwing program will help a great deal in his development.

Arm Accuracy

4 - Slightly Above Average

Comments

Better throwing mechanics will help him become a more accurate thrower. Expect that with time playing the game this area will jump to abv avg.

Hitting Ability

4 - Slightly Above Average

Comments

Line drive aggressive hitter that will hit at the top of the line up. Will need to hone the bunt for hit and to use the field.

Power Potential

3 - Average

Comments

Gap pop guy that needs to stay with line drive approach. Power will be occasional but not a major part of his skill set.

PLAYER SUMMARY

Top of the order table setter with ability to score runs. Has a solid chance to play beyond HS. Just his 2nd year playing the game and has already made huge strides. Worker that has passion for game. Future impact player on both sides of the ball. Will be an abv avg CF and exciting leadoff guy. Strong upside here.
